

***KATHY KENNEDY WILL BE GIVING A 3-DAY WORKSHOP  
at the Festival international de video/arte/electronica VAE 10 in Lima***

**Kathy Kennedy** internationally well known sound artist will be traveling to Lima on June 26 to give an *acoustic-ecology* workshop. The workshop will be based on an introduction to the concept of "soundscape" and a series of guided listening exercises, also using vocal improvisation. The artists will also explain the psychoacoustic phenomena that occur while using the human voice and create an actual performance "the Hum" with the workshop participants.

Groupe Molior is happy to collaborate for the second year with the *Festival international de video/arte/electronica VAE 10* in Lima. The festival was launched on June 10 and will end July 7th.

Kathy Kennedy is a sound artist with a background in classical singing. Her art practice generally involves the voice and issues of interface with technology, often using telephony or radio. She is also involved in community art, and is a founder of the digital media center for women in Canada, Studio XX, as well as the innovative choral groups for women, Choeur Maha and Esther. Her large scale sonic installation/performances for up to 100 singers and radio, called "sonic choreographies," have been performed internationally including the inauguration of the Vancouver New Public Library and at the Lincoln Center's Out of Doors Series.
